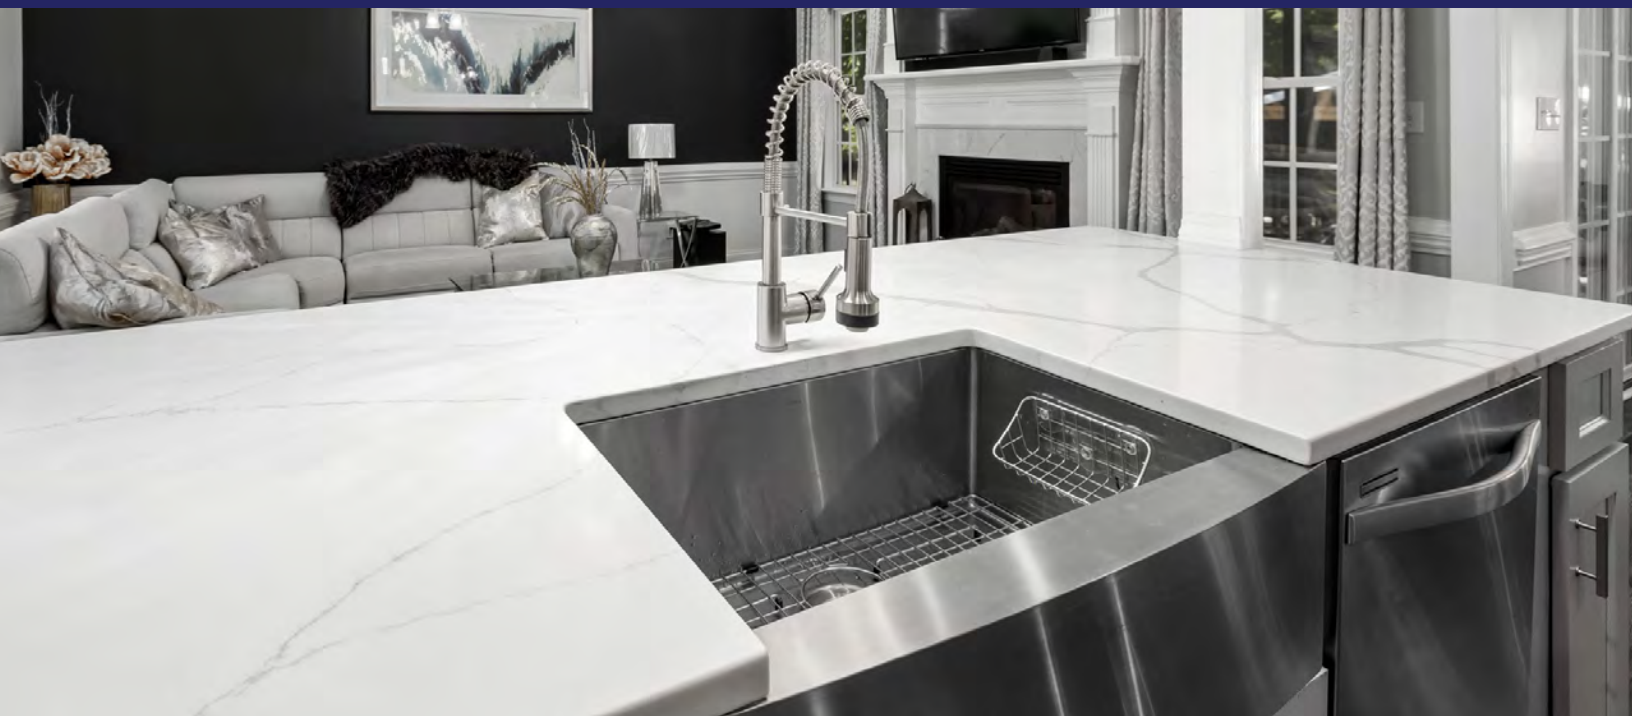
STONE SHIELD

PROTECT YOUR STONE SURFACES



Stone Shield provides a variety of surface protection to help protect against graffiti, vandalism, and staining of stone surfaces. Our new product is specifically designed to replicate the original appearance of stone, granite or marble while safeguarding the surface from future damage.

Challenges

- Keeping the cost of renovation to a minimum
- Eliminating stone surface staining
- Continuous vandalism to the surfaces
- Receives regular audits to ensure the facilities are maintained and stain/graffiti free

Surfaces protected by Stone Shield products include:

- Bar Surfaces
- Restaurant Countertops
- Hotel Lobbies
- Restrooms
- Suites
- Countertops
- Tabletops
- Stalls
